Fee
\$50.00

WHO SHOULD ATTEND: This course is appropriate for state, local road, street department officials, construction managers, foreman, supervisors, and consultants. This course would benefit any personnel involved in local government construction, maintenance projects, and land improvements.

COURSE INSTRUCTORS: **Dallas Grossman** has been a storm water coordinator with the North Dakota Department of Health with the Division of Water Quality for more than four years. Grossman graduated from North Dakota State University with a bachelor's degree in Civil Engineering.

Tom Huncovsky is an Environment Scientist with the North Dakota Department of Transportation in the Environmental and Engineering section. Huncovsky has been with the NDDOT for five years and has been involved with the storm water program for three of those four years. Huncovsky is a graduate of Montana State University with a degree in environmental studies.

REGISTRATION AND FEE: Please register no later than **ONE WEEK** prior to workshop dates. A registration fee of **\$50 per person** includes lunch, coffee breaks, and all program materials. Register by mailing the bottom of this course announcement to the address provided or send it by FAX to (701)328-9866 or e-mail the registration form to denise.brown.1@ndsu.edu.

PRE-REGISTRATION IS IMPORTANT: Pre-registration helps us provide adequate local arrangements and workshop materials. Pre-paid registration fees will be fully refunded if confirmed cancellation is received five working days prior to the workshop. ALL late cancellations will be responsible for 50% and no-shows for 100% of the registration fee.

FOR MORE INFORMATION: Contact the ND LTAP Center at: (701) 328-9855 or toll Free: 1-800-726-4143. You may also email denise.brown.1@ndsu.edu or visit www.ndltap.org
