41st Annual
Local Road Conference
October 19 - 21, 2026

41st Local Road Conference

Professional Development Hours Credit Statement for Registrant's Records

Many licensing and certification agencies require the demonstration of continuing professional competence. To the best of our knowledge, this meeting meets the continuing education requirements for Professional Development Hours (PDH) units. This form is for your use in maintaining a record of the hours that may qualify as PDH's by attending sessions at this meeting.

We recommend you save the final program for your records should the licenser or certification agency request additional information from you. Reporting is on an honor basis, and members are responsible for maintaining their own records, and for determining the applicability and acceptance with their respective licensing/certification organization. The table below shows the professional development hours (PDH) available for the continuing education activities included in the 41st Local Road Conference event held in Sioux Falls, SD on October 19-21, 2026.

Day	Time	Title	PDH's Available	PDH's Earned
