

# Transportation Connection

**North Dakota's Statewide Transportation Plan**

**July 2020**

NORTH  
**Dakota** | Transportation  
Be Legendary.™

 **TRANSPORTATION**  
CONNECTION

# What Is Our Transportation Future?

Why should we plan ahead?

What are our future needs and opportunities?

How can we prepare?

# What is Transportation Connection?

All planning partners, all modes and all systems

Strategic policy and investment plan

Forward-looking and scenario-based

# What Will Transportation Connection Do?

Coordinate with planning partners

Connect with a wide variety of audiences

Tell the story of transportation in North Dakota

Understand expectations and priorities

Gauge willingness to pay and performance

# Why Does Your Opinion Matter?

Set our vision for the next 20 years

Tell us what is important and what you expect

Help us develop a robust plan

**TRANSPORTATION CONNECTION**

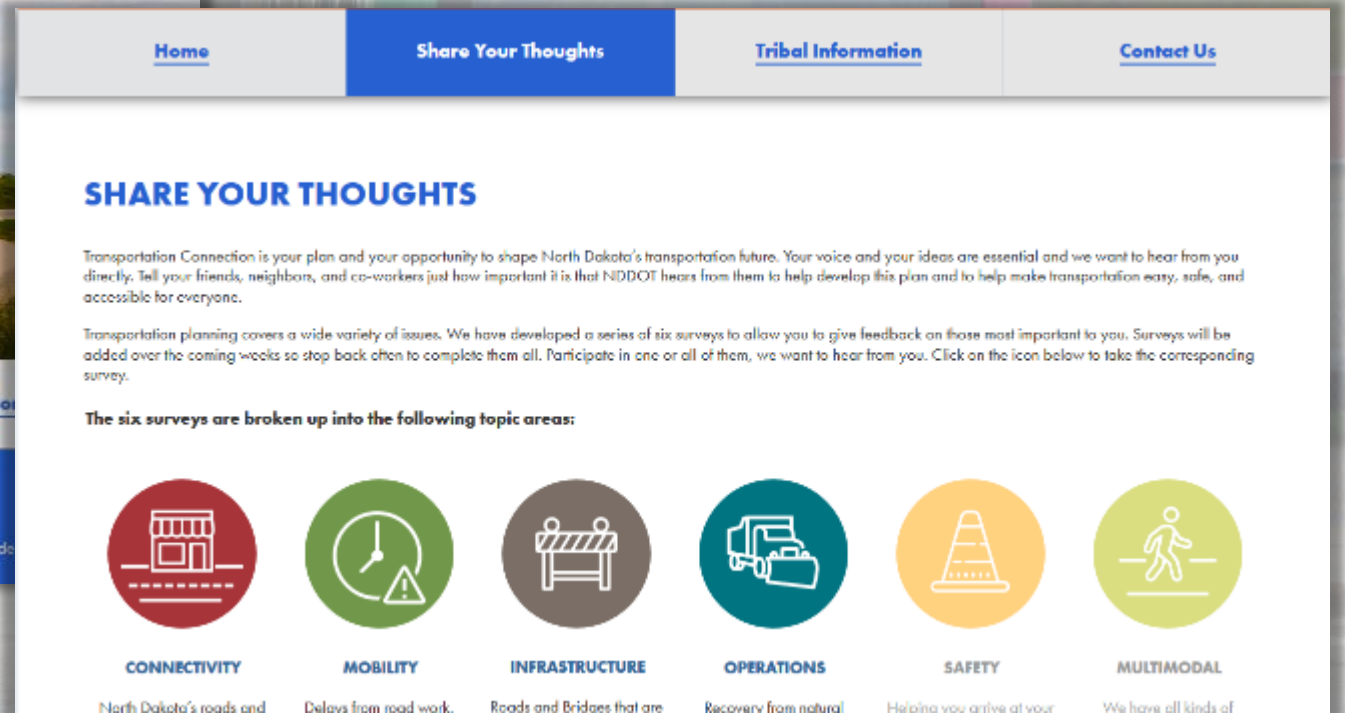

**ENGAGING COMMUNITIES AND PARTNERS**

Transportation Connection is your opportunity to shape the future of North Dakota's future transportation system and to help NDDOT understand what, how, when, and where transportation investments are needed.

### WHAT IS TRANSPORTATION CONNECTION?

NDDOT is responsible for periodically developing a statewide plan to guide transportation decisions across the entire transportation system. Since the last statewide adopted in 2012 much has changed in North Dakota.

## SHARE YOUR THOUGHTS

Transportation Connection is your plan and your opportunity to shape North Dakota's transportation future. Your voice and your ideas are essential and we want to hear from you directly. Tell your friends, neighbors, and co-workers just how important it is that NDDOT hears from them to help develop this plan and to help make transportation easy, safe, and accessible for everyone.

Transportation planning covers a wide variety of issues. We have developed a series of six surveys to allow you to give feedback on those most important to you. Surveys will be added over the coming weeks so stop back often to complete them all. Participate in one or all of them, we want to hear from you. Click on the icon below to take the corresponding survey.

**The six surveys are broken up into the following topic areas:**

- CONNECTIVITY**  
North Dakota's roads and
- MOBILITY**  
Delays from road work.
- INFRASTRUCTURE**  
Roads and Bridges that are
- OPERATIONS**  
Recovery from natural
- SAFETY**  
Helping you arrive at your
- MULTIMODAL**  
We have all kinds of
