North Dakota State University does not discriminate on the basis of age, color, disability, gender identity, marital status, national origin, public assistance status, sex, sexual orientation, status as a U.S. veteran, race or religion. Direct inquiries to the Vice President for Equity, Diversity and Global Outreach, 205 Old Main, (701)231-7708.

Note: Please bring your safety vest as we will be observing a demo on the road.

Topics Covered:

- Road Design from construction to reshaping including shape and drainage, aggregate considerations and alternatives
- Road Maintenance from grading to material replacement
- Road Stabilization, the process involved, the products required and the benefits you can expect
- Program Efficiency Understand more about cost vs. savings, air quality and safety, and potential sources of funding
- Field Training - You will also get out of the classroom and out into the field for a more hands-on approach.

Instructor:

Ken Skorseth

Director, Local Transportation Assistance Program (LTAP) - South Dakota.
