A Huge Success**

Training Sessions Held in Ramsey and Dunn Counties

The first-ever NDLTAP Motor-Grader Operator training sessions were held last month in Ramsey and Dunn counties. The new training program was being offered as a "pilot" program to the counties.

Corey Uhrich provided classroom instruction the first day and the following 3 days were spent in the field at the designated counties. The counties that participated were: Ramsey, Walsh, Cavalier, Dunn, McKenzie and Stark.

During the field instruction the operators were given the opportunity to practice the skills that were demonstrated by Corey.
