North Dakota LTAP announces its 2016 You Show Us contest! This is the contest's 19th year, carrying on a tradition of honoring and sharing innovation that began with FHWA's Show Us How contest.

Local agencies constantly face the challenge of maintaining transportation systems with too few dollars as costs for repairs and

improvements increase while the real value of available finances decrease. Fortunately for citizens and transportation system users, local transportation agencies employ creative individuals who are not afraid to try new ideas.

This is your opportunity to showcase a successful idea and help others benefit from your innovative thinking. We'll help you share information with your counterparts across North Dakota, the nation, and even the world.

NDLTAP will award a travel stipend for one employee to present the winning project from from North Dakota at the 2016 Regional Local Roads Conference. The state and regional awards will be presented at this Conference, to be held in Rapid City, SD, October 19-20, 2016.

NEED HELP? We would be happy to help you put your entry together for this contest. Contact Steve Chase at (701) 328-9860, steve.chase@ndsu.edu
