The ARRA In-Place Recycling & Reclaiming Seminar is a forum of pavement professionals representing State, Local and

Federal Agencies, Contractors, Suppliers, Consultants, Academia, MPO's, all working together. Participants will get the opportunity to view multiple processes in the field, ask questions and take away a unique first-hand experience and newly gained knowledge during future project planning.

Who Should Attend:

The seminar addresses the needs of professionals at all levels from Interstate Highways to Commercial and Residential Developments-Design Engineers, Highway Engineers, Consulting Engineers, other Public Works Officials, Contractors, and Material Suppliers, who want to incorporate responsible recycling into their pavement program.
