Meet the New McKenzie County Road & Bridge Superintendent

McKenzie County has a new Road Department leader

Written by Curt Glasoe, PE/PLS, NDLTAP Western Technical Support Representative

Tommy Glover was recently selected as the new McKenzie County Road & Bridge Superintendent. This week, I had the good fortune of spending some time with Tommy. The first thing I noticed about Tommy was his unique Norwegian accent, developed in southern Georgia, just north of the Florida border. Tommy is eager to learn and help the county grow. His past efforts have set a nice foundation for his ability to jump in and help ...the county. He has worked in construction for about 50 years, first as a worker of all sorts, and then with his own construction company. His company focused on road, shopping center, subdivision and site development projects. This lasted for about 30 years until the 2008-9 economic slump that caused him to change careers. He moved to North Dakota with his wife 7 years ago with a pipeline company. Two years ago, he started working for the McKenzie County road crew.

Tommy is enjoying the job and stated he is learning a lot about

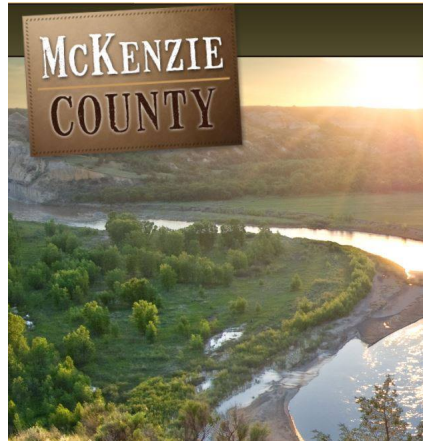

county government and the way it functions. He looks forward to working with LTAP and other organizations. He and his wife have two grown children with families, one in California and one in Florida.

Tommy Glover can be reached at:

Office: 701-444-2371

Cell: 701-580-1666
