National Work Zone Safety Awareness Week
April 21-25, 2025

Participate

National Work Zone Awareness Week (NWZAW) has been successful in spreading awareness for work zone safety across the country because of participation from organizations and individuals just like you. Hundreds of companies and individuals reach out to ATSSA on social media each year using #NWZAW.

NWZAW 2025 will be held April 21-25, hosted by North Carolina Department of Transportation. NWZAW highlights the deadly dangers of inattention at highway work areas. The 2025 weeklong commemoration included:

- **Work Zone Safety Training Day** - April 21
- **National kickoff event** - April 22
- **Go Orange Day** - April 23
- **Social media storm** - April 24
- **Moment of Silence** - April 25. The moment of silence was started in 2022 to remember the men and women whose lives were lost in a work zone incident.
