SIGNING 201

On-site – Classroom

7 Hours – Road Scholar Credits

Thursday, August 13, 2020 8:00 AM – 4:00 PM CST

Mountrail County Highway Dept. • 8103 61st Street NW, Stanley, ND

NO Registration Fee

REGISTRATION DEADLINE: AUGUST 6, 2020

Lunch sponsored by Newman Signs, Inc.

Refreshment breaks sponsored by 3D Specialties.

Our Signing 101 class just got better! Starting with the basics of Signing 101, we have expanded on the educational material to include:

- Sign ordering
- Sign inventory systems
- Tips from a pro
- Group design layout worksheets
- A sign truck virtual segment

This training is perfect for new county, township or city sign personnel. This training is a great refresher for seasoned sign crew members. Township officers, city staff, county commissioners, road superintendents and others in supervisory roles will also benefit from the information exchange.

INSTRUCTORS:

Chris Rathjen. Chris has worked at Newman Signs, Inc. for 22 years as an administrative manager. She has a BS degree from Minot State with a major in accounting and business.

Dale Heglund. NDLTAP Program Director. Forty years of transportation experience ranging from equipment operator to design engineer. Career focus has been to promote a quality roadway network by helping others understand roadway engineering principles, the synergies of working cooperatively with others, leadership skills, and new technology implementation processes.

Kevin Berg has been with 3D Specialties Inc. since 2002. He works with county, city, and state DOT's with the sales of traffic control supplies and with installation of sign systems. He has been instrumental in converting SD and ND from U-channel/wood posts to Telespar Square Perforated signpost systems.
