10 Hours – Road Scholar Credits

Rescheduled: December 1, 2022 (Thursday) 8:30–4:45 pm CST **AND December 2, 2022** (Thursday) 8:30–11:45 am CST

City of Mandan Public Works Building, 411 6th Ave SW Mandan, ND

\$25 REGISTRATION FEE –covers lunch and printed training materials (NDLTAP will invoice post-training)

REGISTRATION DEADLINE: NOVEMBER 24, 2022

Most workers in construction, building development, and other related fields will need to take the OSHA 10-Hour Construction Training. This will ensure that workers are able to identify, predict, prevent, and stop potential hazards in the workplace. This course is designed to be a general overview of many different subjects. The class will be one full-day and one half-day class.

The training will cover the following topics:

- Fall Hazards
- Electrocutation
- Struck-by Hazards
- Caught-In/Between Hazards
- Personal Protective Equipment (PPE)
- Health Hazards in Construction Introduction
- Materials Handling Introduction
- Tools — Hand and Power Introduction
- Any other subjects needed for your workplace safety

INSTRUCTOR:

Steve Fischer, North Dakota AGC Safety Director, joined the AGC team in November of 2021. He retired from the ND Highway Patrol in 2020 after a 21 ½ career and had about 25 ½ years total in law enforcement. Steve instructs a variety of construction industry safety courses which can be found on the AGC of ND website. He is a lifelong North Dakota resident who grew up in Ashley. Steve graduated from NDSU with degrees in sociology and social science.
