

FIRST AID AND CPR (CERTIFICATION)

WHY

The Employee Safety Awareness training will provide participants with a general awareness of safety in the workplace and at home. This First Aid CPR-AED training will provide you with initial training or re-training knowledge and skills to address medical events effectively to help those in need whether in life-threatening or non-life-threatening incidents.

WHAT

This course is required to be completed every two years in order to stay current on the skills needed to address these medical events.

Topics covered in this training include:

First-aid • Assess/treat minor injuries including wounds, burns, sprains, and broken bones

CPR-AED • Certificate earned

**REGISTRATION FEE \$25,
NDLTAP WILL INVOICE AFTER CLASS**
